Alpha International City awarded as Integrated Township of the Year

Mumbai (Maharashtra) [India] Feb 25 (ANI): A visionary development in Karnal, Alpha International city (AICK), an integrated plotted township by Alpha Corp was awarded as 'The Integrated Township of the Year' at the premium level 'Real Estate Awards 2019'. The company received the award for delivering the best services to its end users. The event was presented by ET Now on Friday at Taj Lands End, Mumbai.

Located in Sectors 28 and 29, Alpha International City in Karnal is midway between Delhi and Chandigarh on NH-1, this 300 acres development delivers holistic living at the scale of a small city. The township is designed to cater to the multifaceted needs of its residents. It consists of retail, commercial & educational developments in addition to residential plots and villas with state-of-the-art architecture. AICK is designed with a proper rainwater harvesting system, sewage water treatment, uninterrupted electricity and water supply.

“It is an honour to receive this prestigious award from the dignitaries. We have delivered the projects which have matched the demand and expectations of buyers. It is truly inspirational to receive such awards. We aim to cater to the needs of our prospective buyers through the adoption of advanced housing amenities in our upcoming projects”, said Vikas Manhas, GM, Sale-Marketing, Alpha Corp, while receiving the award.

Alpha International City spans a green belt with more than 20,000 trees. Facilities such as sports complex, recreation centre, nursing home, temple, educational institutions and shopping centres make the township a one spot destination to live a suitable life.

ET Now Real Estate Awards is a prestigious appreciation to the projects which create a benchmark in the real estate sector. It focuses on the overall development of the projects and aims to appreciate the firm efforts of the developers and working staff. This story is provided by NewsVair. (ANI)
