Karnal sector 28 – 29 echoed with the cackles of kids as Alpha International City observed Winter Home Fest on 22 December, Sunday. The fest brought cheerful vibes for kids and their parents to spend a great time together.

The event was full of fun activities, games, artists and some gourmet delight that engaged children as well as their parents. The key attractions of this special carnival were a number of games, rides, and fun-filled activities that brought cheers to the kids. On one hand, kids were at their best playful mood on the other hand parents had an opportunity to get a show around of the integrated township.

AlphaCorp also organized a lucky draw for bookings done in the Festive Bonanza scheme where the participants got a chance to win exciting prizes. Besides fun, food and other attractive activities, carnival games based on winter theme intrigued the number of kids present at the event.

"It was a day full of fun and enjoyment for kids. The time well spent with our children and friends celebrating the festive vibe of the carnival on a winter day. The visitors engaged with residents and kids who came from areas nearby and also from distant places in the state," said a resident.

A selfie booth was set up, where children took selfies with their parents. There were food stalls serving delicacies that were enjoyed by the people of all age groups.

A landmark development based on a farsighted model, Alpha International City, Karnal epitomizes and provides for holistic living. Located in Sectors 28 and 29 in Karnal, between Delhi and Chandigarh on NH-1, these 330 acres of development promises to deliver an elevated quality of life. The township is designed to cater to the needs of its residents, both basic and aspirational, scaled to a global level. Alpha International City is one of the most sought-after residential projects in Karnal which combines luxury residences with strategic commercial spaces. The township includes retail, commercial and educational developments in addition to residential plots and villas. The already completed Phase-I & II includes approximately 226 acres of land in which occupancy has already begun.
